To Whom It May Concern-

I would like to speak on behalf of my dear friend and colleague Master Aurelio Mucci who I have worked with for many years.

It is my sincere pleasure to praise the superb skills that Aurelio has provided to create some of my most challenging designs.

He is a highly trained professional as well as an extremely conscientious and detail oriented craftsman and artisan. His work is a testament to his skills. And his honesty, reliability and humor attest to his character.

Sincerely,

Kim Eric Lilot
